RESTAURANTS

There are many great restaurants in the Gulf Shores area. My favorite restaurants are:

(1) The Shrimp Basket. The Shrimp Basket has great seafood with great prices. There is casual dining inside or out whichever is your preference. Their butterfly shrimp is one of my favorites.

- (2) King Neptune's Seafood Restaurant. King Neptune's has great seafood with great prices and has a **very** casual atmosphere!
- (3) Lulu's. Lulu's is located on the intra coastal canal and is owned by Jimmy Buffet's sister. You are able to eat, listen to music and watch the boats go by in the canal! It is on the left when you go over the big bridge to Gulf Shores, right after you pass the airport.
- (4) Bubba's Seafood. Bubba's is casual dining with great seafood, prime rib, etc. They are open on Holidays, but make reservations first, because they are very busy! Bubba's is located on Beach Blvd headed toward Orange Beach (east).
- (5) Sassy Bass at the Plantation. Casual dining that is located on the first floor of our building on the beach side!
- (6) Sassy Bass. Casual dining that is located a couple of miles from the condo. Turn left outside the complex on Hwy 180, go a couple of miles, and it is on the left.
- (7) Culvers. If you are wanting a hamburger, Culvers in Foley, AL, has awesome hamburgers.

Several guests ate at the following restaurants and said they were wonderful:

Bahama Bobs, Scoops Ice Cream, Nolan's Dining & Dancing, The Beach House Restaurant, Hope's Cheesecake

ACTIVITIES

There are a lot of activities to enjoy:

There is a water park in Gulf Shores, golfing (Kiva Dunes golf course is next door), several putt putt golf courses, a zoo, movie theatres, fishing, deep sea fishing, dolphin cruises, para-sailing, scuba diving, a small amusement park, etc. Dauphin Island has an Estuairum and Sea Lab, and it is close by if you take the ferry at the end of Fort Morgan Road. The condo complex has six outdoor pools, one indoor heated pool, tennis courts, horseshoe pits, a putting green, work out room, a boardwalk to the beach, and of course the beach is wonderful!

Shipwreck off Fort Morgan Road. It is easy to find, and it is an easy walk on the beach!

Directions: Come out of the Plantation and turn left on Fort Morgan Road. Go 2 miles past the Plantation, and turn left onto Our Road. Head toward the beach. Park on the side of the road, walk to the water and turn left. The shipwreck is just down the beach.

OWA

OWA is a new amusement park located in Foley, AL.

THINGS TO BRING

There are coin/credit card operated washers and driers on the first floor of the condo building. The unit will have 6 bath towels, some hand towels and wash cloths. These can be laundered on the first floor or you can bring some more of your own. Laundry detergent is not provided. Beach towels are not provided, so you do need to bring them with you.

We also ask that you put any dirty dishes in the dishwasher and turn it on before you leave and drop your trash down the trash chute at the elevator end of the hallway. There is some dishwasher detergent and dish liquid on the cabinet beside the sink.

The unit comes with a small bar of soap, one roll of toilet paper and 1-2 garbage bags, so we are sure that you will need to bring extra or pick it up at **Wal-Mart Superstore** when you get to Gulf Shores. As you come into Gulf Shores, Wal-Mart is on the left corner of the Hwy 59 & Hwy 180 intersection, Walgreens is on the right.

The kitchen is fully equipped with coffee maker, blender, toaster, dishes, pans, silverware, etc., but there are no cooking supplies (e.g. salt/pepper, spices, coffee, etc.). We try to keep coffee filters on hand, but they do occasionally run out. There is also a refrigerator, stove/oven (apartment sized), microwave and dishwasher.

I hope this helps! If you are interested in anything else in particular, just let me know and I'll forward you whatever information I have!

I hope you have the best vacation ever!!

Katrina
